## Feed a Child School Lunch

Children attending St. Jude Primary School need lunch just like you and me. You can make sure they get something hot and nutritious to eat each day.

Provide lunch for one child for a month

Item #11            \$5

Provide lunch for one child for a year

Item #12            \$50

School lunch is a tangible way for children to understand a need and recognize the impact of a small contribution.

During the holidays, there are many opportunities to help kids understand the importance of giving back and helping people.

Giving serves as a reminder of our human connection to others. When we extend a helping hand, we let the recipients know they are in our thoughts and reinforce our shared sense of community.

If your child is seeking a meaningful gift for a friend or loved one, consider the impactful gesture of providing a school lunch for a child in need.
